

MY NAME IS FR. METHOD MSANGA: I would like personally to thank you for your esteem support for Matembwe Dispensary. We have been working together hand in hand to make sure that we improve the quality of health services in Matembwe. On behalf of the whole community of Matembwe we thank you our dear beloved Caritas Antoniana Members of the Board and the whole secretariat for your nice collaboration that you have shown to us since the works of the renovation until now as we finish with the project of operation theatre construction. Right now we are through with the construction works, and the operation will be taking place in a near future expectedly, as the diocese has ordered some equipment for all diocesan facilities and they have

notified that this order is for all the facilities like hospitals, health centers and dispensaries like Matembwe which are expected to be promoted into being a health center after having an operation theatre like this.

Right now I am in Mavanga parish since last year, In Mavanga we have the health center but no theatre and the houses for the nurses are few and worn out, however the facility itself needs to be renovated. We hope to work with you again for this community of Mavanga which is in a rural area and the hospital is about 60kms from Mavanga. THANKS A LOT OUR DEAREST FRIENDS FOR YOUR SUPPORT.

MY NAME FR. GEORGE MOYO I am an assistant priest of Matembwe Parish and I am a pharmacist by profession, I am working together with the staff of Matembwe health facility. I would like to to congratulate you for your support for our health facility. I have been appointed to work in Matembwe after my university studies on pharmacy last year December. I would like to recommend Fr. Method and all the works of the project of the renovations and the theater construction as one of the beautiful works done in our diocese of Njombe. Thank to you Caritas Atoniana for having trust with padre Method and our Diocese in General.

I AM VISCARD MLWILO: I am a laboratory assistant at Matembwe dispensary, I am employed by the facility since last year June. I am working in a very good environment as the facility is well renovated and now with the present constructed theatre the people of Matembwe and around Njombe. Thank you very much, we hope that the operation will take place soon and hence we will be in a better place to rescue many women and men in all matters of health.

MY NAME IS SR. GLASIANA OSB, I am a nurse and midwife at Matembwe dispensary since 2015, I have been witnessing the development of our health facility from the time of renovation and now we have a nice building for the theatre. We hope to help all the women at first to get their safe delivery here in our facility. Thank you very much our friends from CARITAS ANTONIANA for your helpful support up on our people.

From the left is Maria, the mother of the little new born baby girl. Very fortunately the delivery has gone on well. In the middle is the sister in law of Maria she has assisted on the delivery of Maria. They both give words of Thanks to Caritas Antoniana for the theatre and all the works done here at Matembwe dispensary. This is a very big help for the whole community.

MY NAME IS REMIGIA KIMBE: A native of Matembwe, I would like to thank you Caritas Antoniana for your nice support for our dispensary at Matmbwe, the buildings in blue behind me is the dispensary and they are very beautiful. For quite long time we have been in trouble when it comes to critical moments of delivery, we had to travel for almost 70kms from Matembwe reaching the next hospital. The present Theatre will be a great rescue for us all. Thank you very much for your support through Fr. Method Msanga. May you keep in touch with us and our diocese at large
